JEBRAA is not just about Jim & Edna, it's about family. Jim was born and raised in Chantilly, Virginia and graduated from Herndon High School in 1964. He caught the car bug from his father and learned the value of the auto by his father's buying and selling of cars. Buying is one of Jim's best traits, however, not selling.

In 1963 he met Edna Graninger who was born and raised in Great Falls, Virginia to farmers and government workers. They married in 1965 after Edna's graduation. Making this short is not something I can do....Anyway time goes on. You see we both only had high school educations and Edna wouldn't live in that apartment. Jim swears she never wore shoes until he married her. We bought a small house in Chantilly and built a 4-car garage. Jim & Edna built counter tops and cabinets at night into the early light. Then Jim went to work at an architect's office and Edna took in children to baby-sit. She obtained her Real Estate license in 1968. We started buying land in Loudoun County in 1972 with a 10-acre parcel, then another in 1973 and a third in 1974. We sold those in 1984 and bought 300 acres. The kids and us worked for 7 years on that first 30 acres to pick up rocks. When we sold those 10-acre lots we moved those rocks with us to what is now called JEBRAA Farm. The name comes from all our names because it was only fitting as we all built JEBRAA. We struggled through many years but the love of the land and our children made all this worthwhile. We inherited our first car from Jim's dad....and from there our love progressed. We saved for the next car & the next & the next.... Our cars are our retirement so I am truly afraid we may never retire. Jim is now President of Falls Church Construction Corporation after buying into the corporation in 1979. Edna still sells Real Estate to help support her car habit too. We have been married 41 years in Bliss (Busy....Lust....Insanity....Sacrifice....Scrimping).

We have been VERY BLESSED to have 4 children: Ray, Beverley, Amy & Allison. We also have 9 grandchildren: Blake (16), Jordan (11), Christopher (9), Elizabeth (7), Emily (3), Riley (3), Thomas (2), Tyler (2), Colin (2). (There are no twins or triplets only daughters that seem to have babies @ the same time)

*So WELCOME, we are truly happy to have you
at JEBRAA Farm. Enjoy your day!*
